

Section 12-1724.

Notwithstanding anything in this Article, the franchisee's distribution system shall conform to the lawful regulations and requirements of the Federal Communications Commission.

Section 12-1725.

(a) The franchisee shall at all times indemnify, protect, and save harmless the County from and against all liability, losses, claims and damages whatsoever, including any payments required by the Workmen's Compensation Law, which may arise out of or be caused by the erection, location, maintenance, repair, installation, replacement and/or removal of said cable television system within the County, or by any act of the Company, its agents or employees.

(b) The franchisee shall carry insurance in such form and in such responsible insurance company licensed to do business in the State of Maryland as approved by the County Solicitor of not less than: (1) One Hundred Thousand Dollars (\$100,000.00) for property damages for any one accident; (2) One Hundred Thousand Dollars (\$100,000.00) per person; and (3) Three Hundred Thousand Dollars (\$300,000.00) per accident, for liability due to personal injury or death. Such insurance shall protect the County from and against all claims, demands, actions, judgments and liabilities which may arise or result, directly or indirectly, from or by reason of such loss, injury or damages. All insurance required hereby shall be and remain in full force and effect for the entire period covered by this franchise. The Company shall also carry insurance to protect it from all claims under the Workmen's Compensation Law in effect that may be applicable to it.

Section 12-1726.

The franchisee shall, without charge for installation, maintenance or service, make single installations of its standard cable television facilities at each hospital, fire and police station, public and parochial school within the County passed by its cable system. The franchisee shall make one channel available, on a temporary basis, without charge, to the County, the State of Maryland, and/or the United States of America, to communicate to residents of the County, emergency information designed to protect or save lives or property.

Section 12-1727.

(a) The franchisee shall pay to the County, during the life of said franchise and at the times hereinafter specified, a sum equal to three per cent (3%) of the gross annual receipts of the franchisee arising from the sale of antenna service to customers within the corporate limits of the County, except within the City of Annapolis; provided, however, that only regular periodical service charges, not including any state or federal taxes levied upon such service, shall be considered in computing said sum and that original installation charges, reconnection charges, and charges made for inspection,
