  - Annual renewal fee ..... 15.00
- [(b)]** (c) *Restricted Electrician*
  - Original issuance fee ..... \$15.00
  - Annual renewal fee ..... 10.00

Section 12-818.

The license year for **[both master and restricted]** *all* electrician licenses shall run from May first through April thirtieth. Any person granted either class of license under the provisions of the Chapter shall, unless such license or a renewal thereof has been suspended or revoked, be granted a renewal as a matter of course and without examination provided the application for renewal is made by the holder of the license prior to midnight of April thirtieth of each year. Any license which has not been renewed by midnight of April thirtieth may, in the discretion of the director, be renewed prior to midnight of May thirty-first upon the payment of the licensee of the renewal fee plus a delinquency penalty of ten dollars (\$10.00). Any licensee who has not renewed his license prior to midnight of May thirty-first shall be required to submit to written examination as a prerequisite to securing a license thereafter.

Section 12-819.

(a) **[Either]** *Any* class of license may be issued to a firm or corporation if a member or employee thereof has met all the qualifications required by this Chapter from the class of license desired. A license so issued to such firm or corporation shall be of the same class as that for which the member or employee is so qualified and shall be valid only so long as such person remains a member of such
