

(b) The Director of Public Works of Howard County is herein and hereby authorized to enforce the provisions of this section of this ordinance as hereinafter provided:

1. The Director shall notify the Grantee in writing of any occurrence provided for in this section, for which said franchise may be terminated, forfeited, revoked, or declared void by Howard County, and that within ninety (90) days following receipt of said notice, the Grantee shall remove from the streets located, all of said properties unless otherwise authorized and permitted by the Director of Public Works.

(2) The Director of Public Works may declare abandoned any property of the Grantee remaining in place ninety (90) days after notification from the Director as hereinabove provided, and the same shall be considered permanently abandoned property unless the Director of Public Works extends the time for removal of said property for a period not to exceed thirty (30) additional days.

(c) Any property abandoned by the Grantee as hereinabove or hereinafter provided shall become the property of Howard County and the Grantee agrees to execute and deliver an instrument in writing, transferring its ownership interest in any such property of Howard County; provided, that any notice given the Grantee by the Director of Public Works of Howard County, as provided in this section, shall be deemed notice to any other persons claiming interest in said property of the Grantee and said persons shall be subject to all the provisions hereinbefore provided.

14.715. Reports.

(a) An applicant for a franchise pursuant to the terms of this Act shall submit to the Council and the Executive a plan of the entire District indicating the date on which the applicant expects the installation of the entire Community Antenna Television System will be completed and available for service to subscribers in the various areas of the District.

(b) The plan so submitted shall be binding upon the Grantee hereunder and no deviation therefor shall be permitted without the approval of the Howard County Council by its Resolution.

(c) The Company shall furnish the Council with written progress reports indicating in detail the area of construction of the Community Antenna Television System, the number of subscribers and locations receiving the Community Antenna Television Service, the number of schools and public buildings receiving the service and the number of subscribers and other locations who have received two-way capability. Such written periodic reports shall be furnished at six (6) month intervals, the first report to be made six (6) months from the effective date of a franchise issued pursuant to this Act.

(d) On or before each of the dates on which payments pursuant to this Act are to be made, and within sixty (60) days after the expiration or cancellation of a franchise, and at other such times as the Executive shall designate, the Grantee shall furnish and deliver to the Executive verified or certified reports of its business and operations hereunder and gross receipts derived therefrom in such form and in such detail as the Executive may prescribe.

(e) Within five (5) days after the Grantee, its affiliates and/or subsidiaries have filed a report, petition, or communication with any Howard County or State or Federal agency pertaining to any aspect of operations
