(h) Whenever drainage structures are required for any particular class of road, such drainage structures shall be installed or constructed as are found to be necessary or appropriate after a preliminary drainage study has been approved by the Department of Public Works in accordance with design standards and all applicable specifications.

(i) Driveway entrances to individual lots shall be required upon a finding that off-street parking facilities are necessary and practicable.

SEC. 45. Section 103-14, Chapter 103, title "Streets and Roads," of the Montgomery County Code 1965, is hereby repealed and re-enacted, with amendments, to read as follows:

103-14. Classification by County Executive.

No person shall construct any road and the County shall not authorize any road to be constructed or issue any permit therefor, until such proposed road shall have been classified by the County Executive as prescribed in this Section. All classifications of roads shall be by written regulation which shall include a statement of facts and conclusions in support thereof. Classifications of any road may be changed from time to time in like manner. An alphabetical name file of all roads within the County to which this Article applies, indicating their classification and status as either "maintained," "accepted for maintenance" or "not maintained" shall be kept by the County. A similar file listing all roads according to election district and road number shall also be kept.

SEC. 46. Subsections (a) and (e) of Section 103-15, Chapter 103, title "Streets and Roads," of the Montgomery County Code 1965, is hereby repealed and re-enacted, with amendments, to read as follows:
