

CHAPTER 24

(BILL NO. 42-70)

AN ACT to amend Chapter 103, title "Streets and Roads," of the Montgomery County Code 1965, as amended, by repealing and re-enacting, with amendments, Section 103-11, title "Standards and specifications," and subsection (e) of Section 103-12, title "Classification and minimum requirements for roads," by adding a new subsection (ee) to said Section 103-12, and to amend the Montgomery County Standard Specifications, Part III, title "Montgomery County Design Requirements," subsection 6 of Section 1, title "Requirements for Profiles Submitted for Approval to the Department of Public Works," to provide that the Montgomery County Design Standards and Standard Specifications may be amended by the County Executive by regulation; to re-define the secondary road classification; to establish a tertiary road classification and the requirements therefor; and to provide for tertiary roads and their design requirements in the Montgomery County Standard Specifications.

Be It Enacted by the County Council for Montgomery County, Maryland, that—

SEC. 1. Section 103-11, Chapter 103, title "Streets and Roads," of the Montgomery County Code 1965, is hereby repealed and re-enacted, with amendments, to read as follows:

103-11. Standards and specifications.

Except as otherwise provided, the construction of all roads shall conform to the minimum requirements, standards and specifications provided in this Article. Whenever used in this Article the word "Standards" means Montgomery County Design Standards, and the word "specifications" means Montgomery County Standard Specifications. The Montgomery County Design Standards and Montgomery County Standard Specifications are hereby adopted and made a part of this Article. The "standards" and "specifications" adopted hereby may be amended by the County Executive by regulation pursuant to Sec. 2-28 of this Code and subject to the approval, by resolution, of the County Council. The Secretary of the County Council shall keep among his official records the standards and specifications, as adopted by the County Council, together with any amendments thereto. The Secretary shall also prepare and make available to the public printed copies of this Article and of such standards and specifications, and they shall be given such free distribution or sold for such price as the County Executive may determine from time to time.

SEC. 2. The first paragraph of subsection (e) of Section 103-12 of Chapter 103, title "Streets and Roads," of the Montgomery County Code 1965, is hereby repealed and re-enacted, with amendments, to read as follows:
