

crossing guards may be assigned traffic control duties by the County Executive, Director of the Department of Police or Superintendent of Police; school crossing guards may assist a police officer in traffic control at the officer's request. Except in such emergency, or incidental to the safety of pedestrians using crossings, school crossing guards shall not be authorized generally to direct traffic.

**SEC. 2. Effective Date.**

This Act shall take effect on December 7, 1970.

---

**CHAPTER 31**

**(BILL NO. 48-70)**

AN ACT to amend Chapter 87, title "Garbage and Refuse," of the Montgomery County Code 1965, by repealing and re-enacting, with amendments, Section 87-13, title "Collecting and transporting—Collector's license," Section 87-14, title "Collecting and transporting—Registration of Vehicles," Section 87-15, title "Collecting and transporting—General regulations for collectors," and Section 87-19, title "Permits and licenses issued under Chapter—Refusal to renew; revocation or suspension," to provide that a person shall only transport his own refuse to a place of final disposal in a closed or covered body vehicle; to provide that an office maintained in Montgomery County shall be a business office for the transaction of certain business; to require staffing of the office during normal business hours with an authorized agent; to require notification to the Director of the Department of Inspection and Licenses of change of address, telephone number or authorized agent; to require a cash or corporate bond in a sum equal to the service charge for all customers for one month but not less than \$1,000.00; to provide generally for notice of default, default and forfeiture of the bond; to authorize the Director to have the work performed in case of default; to require watertight, leak proof metal body trucks with metal or canvas cover; to require enclosed steel packer type trucks after four years; to require collectors' detachable containers to be marked; to authorize the Director to suspend any vehicle in an unsafe physical, mechanical or sanitary condition; to provide for the removal of refuse in accordance with a written service agreement; to require the collector to provide 30 days written notice of intent to discontinue service except for nonpayment; to require that the service agreement contain certain matters and be furnished to each customer; to require a collector to submit a certified list of customers quarterly; to require alternate service within 48 hours in case of mishap or breakdown; to authorize the Director to revoke the license
