

days, the Director shall proceed without delay and without further notice or proceedings whatsoever to use the cash deposited, or any portion of such deposit.

3. Maintain and keep at all time, including thirty (30) days after all business is discontinued in the County, a list of names, and addresses of all customers receiving service within Montgomery County. Said lists shall be subject to inspection by the Director at any reasonable time, and the Director shall inspect such list quarterly and shall submit a written report to the County Executive. The list or a true copy shall be furnished to the Director immediately upon demand in the event of discontinuance of service to such number of customers as may in the judgment of the Director adversely affect the public health, safety and welfare. Upon refusal to furnish such list, the Director is authorized to impound such list for the purpose of notifying customers and arranging for collection service.

SEC. 2. Section 87-15, Chapter 87, title "Garbage and Refuse," of the Montgomery County Code 1965, as amended, is hereby repealed and re-enacted, with amendments, to read as follows:

87-15. Collecting and transporting—General regulations for collectors.

Licensees shall operate fully in accordance with the following regulations:

a. Remove all refuse in containers or bundles in accordance with the approved written statement of service for disposal from every point of pickup and clean up spillage by the collector at pickup points and along the route from the point of pickup to the truck.

b. Maintain regular service in accordance with the written statement of service and provide in writing prior notice of not less than thirty (30) days of their intent to discontinue service for any cause, except for nonpayment of service charges. A copy of such notice shall be provided to the Director.

c. Furnish to each customer a copy of the written statement of service which shall include the trade name, principal business address, telephone number and regular office hours of the collector, regular collection schedule, holidays, the type and quantity of refuse to be collected, frequency of special collection, packaging or bundling requirements, type of refuse material not included in the service to be provided, type and size of refuse containers, point of collection and any other provision needed to establish a firm, clear understanding of the responsibilities of the collector and the customer. The statement of service shall be submitted to the Director, who shall approve it, if it complies with the standards and objectives of this Chapter, or disapprove it, and if he disapproves he shall state his reasons therefor in writing. If disapproved, the licensee shall revise and resubmit the statement of service until approved by the Director.
