

(2) Refuse which is delivered in vehicles owned and operated by County's refuse collection contractor for which charges have been made under (b) (3) above, or charges under (b) (4).

87-25. Imposition of Refuse Disposal Charges.

The Director of Finance is authorized to bill and collect all refuse disposal charges imposed for the use of the County refuse disposal facilities as follows:

(a) From certified lists of persons, companies, agencies and governments indicating the quantities of refuse received by the County for disposal as determined by attached printed scale tickets furnished by the Director of Public Works to the Director of Finance at the end of each month.

(b) From certified lists of properties receiving refuse collection service provided by the County's refuse collection contractor, such lists to be the same as those furnished by the Director of Public Works as provided for in subsection 5 of Section 87-22.

87-26. Extension of Credit and Posting of Collateral.

(a) Extension of Credit—Refuse collection companies licensed by the County, business concerns and other persons who deposit in excess of twenty tons monthly of refuse at the County disposal facilities, may apply for an extension of credit by submission of an application for credit to the Director of Finance.

(b) Posting Collateral—As a pre-requisite for extension of credit, collateral (accompanying the application for credit) shall be deposited with the Director of Finance in the form of cash or certified check or equivalent security approved by the Chief Administrative Officer and County Attorney in an amount equal to a normal forty-five (45) day billing period. The computation of the amount of collateral required shall be determined by multiplying the number of tons per month as determined by the Director of Public Works by one and one-half (1- $\frac{1}{2}$ ) times the per ton refuse disposal charge.

(c) Waiver of Collateral—Waiver of collateral is restricted to Federal, State, and local government agencies delivering refuse to the County disposal facilities on vehicles owned and operated by these agencies.

87-27. Duties and powers of Director of Finance.

(a) Collection of charges; records—It shall be the duty of the Director of Finance to bill and collect refuse disposal charges in the manner prescribed herein; to maintain and keep an accurate record thereof; and to report all monies so received.

(b) Partial Payments—Partial payments shall not be accepted on any monthly invoice, or on any tax bill even though the unpaid portion of said tax bill represents refuse disposal charges.
