

of reservoirs, water conservation works, power projects, transmission lines, and other facilities needed in the public interest, including the road construction and maintenance essential to development and use thereof, upon his determination that such use or uses in the specific area will better serve the interests of Maryland and the people thereof than will its denial. Such recommendations shall be made after public notice of such a proposal and public hearing or hearings as provided for in [section] subsection (g). The proposed developments shall then become effective only by act of the General Assembly.

357C.

(a). For the purposes of Program Open Space, the following terms shall apply.

(b) "Subdivision" shall mean the twenty-three (23) counties of the State and Baltimore City.

(c) "Municipal corporation" shall mean the Maryland National Capital Park and Planning Commission and the incorporated towns of the State.

(d) "Governmental agency" shall mean the department of recreation and parks of a subdivision or municipal corporation or any other agency of a subdivision charged with providing or which currently provides public outdoor recreation and open space areas.

(e) "Local projects" shall mean acquisition, development, or acquisition and development of projects sponsored by the counties, municipal corporations, or agencies thereof.

357F.

(a) Each year the Department of Forests and Parks, the Department of Game and Inland Fish and the St. Mary's city commission shall prepare a list of State acquisition projects for the next fiscal year. These projects shall be submitted to the General Assembly in a manner similar to other capital projects as provided in Article [15A] 88C, Sections 2 (f) and 6 of this Code, as amended from time to time.

357G.

(c) The State shall provide twenty-five percent (25%) of the total project cost for each approved local acquisition and/or development project. If federal funds are not available because of lack of funds the State shall provide additional funds, but not more than seventy-five percent (75%) of the total project cost.

411AH.

In the event that the owners [of] or operators of said sewage disposal plant fail to submit a plan or to construct the necessary improvements in accordance with an approved plan, the County Council of Anne Arundel County or the City of Annapolis as appropriate shall, upon thirty (30) days' written notice from the Department of Health that compliance has not been made with the
