473.

(b) The term "distribute" means to import, manufacture, produce, compound, mix, blend, barter, sell, offer for sale, consign, furnish, provide or otherwise supply commercial fertilizer or soil conditioner as part of a commercial enterprise. The term "distributor" means any person who distributes. The term ["distribute"] *distributee* means any person to whom commercial fertilizer or soil conditioner is distributed.

483.

(a) If an official analysis of a lot shows that a commercial fertilizer is deficient in one or more of its guaranteed primary plant nutrients (nitrogen, available phosphoric acid, and soluble potash) beyond the investigational allowance as established by regulation, a penalty of three times the commercial value of such deficiency in the lot analyzed shall be assessed by the State Chemist against the registrant if the deficiency(ies) are confirmed in a hearing before the Director of the State Board of Agriculture.

Deficiencies beyond the investigational allowances as established by regulation in any other constituent(s) covered under Section 473, par. (P) 2, 3 and 4 of this act, which the registrant is required to or may guarantee, shall be evaluated and penalties prescribed [therefore] *therefor* by the State Chemist.

SEC. 2. *And be it further enacted*, That this Act shall take effect July 1, 1972.

Approved April 26, 1972.
