

bolt or roll, or such other unit, be definitely, plainly, and conspicuously marked to show its net measure in terms of yards or its net weight in terms of avoirdupois pounds and/or ounces, subject, however, to the following limitations and requirements:

(2) *Ready-wound bobbins.*—Ready-wound bobbins which are not sold separately shall not be required to be individually marked, but the package containing such bobbins shall be marked to show the number of bobbins contained therein and the net weight or measure of the thread on each bobbin. Any unit of sewing, basting, mending, darning, crocheting, tatting, hand-knitting, or embroidery thread or yarn except nylon hand-knitting yarn, which is not composed in whole or in part of wool, the net weight of which is less than two ounces avoirdupois, shall be marked to show its net measure in terms of yards as unwound from the ball or from the spool or other holder. Any retail unit of a textile product, sold only for household use, consisting of a package containing two or more similar individual units, which are not sold separately, shall be marked to show the number of individual units in the package and the net weight or net measure of the product in each individual unit, but this proviso shall not apply where the individual units are separately marked. Any unit of yarn, composed in whole or in part of wool, sold to consumers for handiwork, shall be marked to show the net weight of such yarn except that any such unit of tapestry, mending, or embroidery yarn, the net measure of which does not exceed fifty yards, may be marked to show its linear measure only.

(3) *How marking made.*—The marking required by this section shall in all cases be in combination with the name and place of business of the manufacturer, packer, or distributor of the product, or a trade-mark, symbol, brand, or other mark which positively identifies such manufacturer, packer, or distributor.

(4) *Reasonable tolerances.*—Reasonable tolerances shall be permitted, and these shall be included in regulations for the enforcement of the provisions of this section which shall be issued by the Superintendent.

(5) *Exceptions.*—The provisions of this section shall not apply to the following textile products when sold at wholesale in bulk by net weight: Agricultural bag sewing threads, yarns, which are to be processed and yarns which are to be industrially converted into end use products. PRODUCTS.]

(6) *Waste material.*—Nothing in this subtitle shall be construed to apply to or affect in any manner the packaging or the sale of any form of textile waste materials or rags.]

§31. Standard barrel for fruits, vegetables and other dry commodities.

(1) *Dimensions.*—The standard barrel for fruits, vegetables, and other dry commodities other than cranberries shall be of the following dimensions when measured without distention of its parts: Length of staves, twenty-eight and one-half inches; diameter of heads, seventeen and one-eighth inches; distances between heads, twenty-six inches; circumference of bulge, sixty-four inches, outside measurement; and the thickness of staves not greater than four-tenths of an inch; provided, that any barrel of a different
