The total amount of annual tax levied by the said counties and said city shall not be less than a sum sufficient to provide for the number of blind and colored deaf minors sent from said counties or said city based upon the previous year's certification by the board of directors of the Maryland School for the Blind to the said counties and to the said city; and the board of county commissioners of said counties, and the mayor and city council of Baltimore, shall pay to the Maryland School for the Blind on or before May 1st and November 1st each year one hundred dollars (\$100.00) for each blind minor or colored deaf minor sent to the Maryland School for the Blind, multiplied by the number of blind minors and colored deaf minors certified to the treasurer of the respective counties and the comptroller of Baltimore City by the board of directors of the Maryland School for the Blind, April 1st and October 1st each year, such payments to be considered as payments for tuition. Any balance from said levy at the end of the year shall revert to the treasury of said counties or said city, and any deficiency, if any, shall be included in the next succeeding levy and forthwith paid to the Maryland School for the Blind. Taxes levied and collected in any county or the City of Baltimore for the purpose named in this section shall be used to defray the expenses of the blind minors and colored deaf minors sent to the Maryland School for the Blind, and shall not be transferred to any other fund by the city or county authorities.

The Maryland Workshop for the Blind shall have full supervision and control over the operation of said vending stands and shall, within its discretion, have full power as to who shall be placed in charge of each stand and may, when it deems proper, provide the equipment for said stand as well as an adequate initial stock of suitable articles to be vended therefrom.
