

6-109.

The Department upon receipt of satisfactory evidence of the death of the person who signed the application of a [minor] PERSON UNDER EIGHTEEN YEARS OF AGE for a license shall suspend the license and shall not reinstate the license until a new application is signed and certified as required by this article. This provision does not apply if the minor has attained the age of [21] 18 years.

6-205.3

The Department may require any person under [21] 18 years of age who has been convicted in this State of an offense under this article involving a motor vehicle actually in motion, to attend the drivers rehabilitation clinic as provided by the Department.

SECTION 31. AND BE IT FURTHER ENACTED, That Sections 86, 403 and 510(c) of Article 66C of the Annotated Code of Maryland (1970 Replacement Volume), title "Natural Resources," subtitles "Agriculture," "Forests and Parks," and "Mining," subheadings "Soil Conservation," "Tree Experts," and "In General," be and they are hereby repealed and re-enacted, with amendments, to read as follows:

86.

The University of Maryland is hereby authorized and empowered:

(1) To formulate, pursuant to the standards therefor set forth in Sec. 7(a) of said act of Congress, agricultural plans for this State for each calendar year, commencing with the year 1938, and from time to time to make such revisions in such State agricultural plans as may be necessary to conform to such standards;

(2) To utilize, in formulating and revising such State agricultural plans, the assistance of the Agricultural Extension Service and the Agricultural Experiment Station;

(3) To designate in such plans the University of Maryland as the State agency of the State of Maryland to administer such State agricultural plans;

(4) To submit such State agricultural plans to the Secretary of Agriculture of the United States, prior to such time and in such manner and form as the said Secretary may prescribe;

(5) To receive on behalf of the State of Maryland any grants made pursuant to Sec. 7 of said Soil Conservation and Domestic Allotment Act, and to utilize and expend such grants in accordance with the provisions of such State agricultural plans as may have been approved by said Secretary of Agriculture;

(6) To provide for the selection of a State Advisory Board, to be composed of five persons [of legal age] OVER EIGHTEEN YEARS OF AGE, residents in this State, who shall be selected from the standpoint of their qualification by actual farming experience and comprehensive understanding of the agricultural problems of this State;

(7) To make provisions for the establishment of State, county and community committees or associations of agricultural producers, organized for such purpose, and for participation by them in the administration of such State agricultural plans;
