

529.

(p) The term "cosmetologist-aide" is defined as any person at least 16 years of age who under the supervision of a beauty shop manager in a registered beauty salon, for compensation engages in limited practices of beauty culture, restricted to, shampooing, the removal of nets, rollers, clips, pins, permanent wave solutions, neutralizers, stabilizers, hair relaxers, waving rods, tints or bleaches, sterilizing of equipment and like activities.

532.

(a) No person shall be permitted by the Board to take an examination to receive a certificate as an operator unless such person shall be at least seventeen years of age, have an [eight] EIGHTH grade education, or its equivalent, and has been registered as a student and has had training, as hereinafter provided in this subtitle, in a beauty school duly registered by the Board, or by another state having substantially equivalent or more stringent standards for registration than those imposed by § 536 of this article, and allowing persons trained in Maryland beauty schools to take their State examination after 1,500 hours training, or has served as an apprentice in an approved beauty shop for a period of not less than two years.

580.

Raw milk supplies and pasteurized milk products from points beyond the limits of routine inspection of the State of Maryland may not be sold in the State of Maryland unless produced, processed, or pasteurized under provisions which are substantially equivalent to the requirements of this subtitle or of any rule or regulation issued thereunder, and which are enforced with equal effectiveness, as determined by an acceptable current individual milk sanitation compliance and enforcement rating made by a State milk sanitation rating officer certified by the appropriate federal authority and listed in the interstate milk shippers report published by same. Provided, further, the Secretary shall make inspections of dairy farms and plants on all initial applications for permits to determine substantial compliance with the generally accepted regulations. In addition the Secretary reserves the right to make inspections at any time thereafter of any permittee should in its opinion conditions warrant such action. The cost of such inspection shall be borne by the applicant or permittee. The billing and collection shall be handled by the Maryland State Department of Health and Mental Hygiene. No permit shall be issued under this section to dairy [farm] FARMS or plants situated in a jurisdiction which does not authorize import of raw milk supplies or pasteurized milk products from any part of this State.

795.

(b) If the Board determines that another state or jurisdiction has requirements equivalent to or higher than those in effect pursuant to this subtitle for the practice of audiology or speech pathology, and that state or jurisdiction has a program equivalent to or stricter than the program for determining whether applicants pursuant to this subtitle are qualified to practice audiology or speech pathology, the Board may issue certificates of endorsement to applicants therefor who hold current, unsuspended, and unrevoked certificates or licenses to practice audiology or speech pathology in the other state or jurisdiction. No applicant for a certificate of endorsement pursuant to this subsection is required to submit to or undergo any examination, investigation, or other procedure, other than the payment of fees pursuant to [§§] SECTION 793 of this subtitle. The holder of a certificate of endorsement shall be registered in the same manner as holders of certificates of registration. The fee for an initial certificate of endorsement shall be the same as the fee for an initial certificate of registration. Fee, grounds, and procedures or
