No. 6

(House Joint Resolution 27)

House Joint Resolution calling on the United States Congress to commission a study to determine the correlation, if any, between drug advertising and drug use.

WHEREAS, The National Council of Churches, representing over 100,000,000 Catholics, Jews and Protestants, did, on November 14th, 15th and 16th, 1972, conduct public hearings to ascertain the effect of drug advertising, if any, on drug use; and

WHEREAS, That Panel concluded that there had been little, if any, empirical research on the question; now, therefore, be it

RESOLVED BY THE GENERAL ASSEMBLY OF MARYLAND, That the Maryland Delegation to the United States Congress be urged to enact legislation requiring a study to determine what effect, if any, drug advertising has on drug usage in our country; and be it further

RESOLVED, That copies of this Joint Resolution be sent to each member of the Maryland Congressional Delegation.

Approved April 26, 1973.

No. 7

(House Joint Resolution 37)

House Joint Resolution requesting a legislative investigation of title insurance companies of Maryland in light of the constant low loss ratios, but never-decreasing rate charges of these companies.

WHEREAS, The title insurance companies of Maryland have generated a very low loss ratio in the range of 1-5% in the past several years; and

WHEREAS, It is desirous that these insurance companies realize a fair rate of return for their services, but the rising settlement costs in this State, along with "binder fees" imposed by certain title companies, are putting a severe strain on Maryland citizens in our "mobile society" where more than one home may be purchased in a lifetime; and
