

COUNTY LOCAL LAWS

WHEREAS, The General Development Plan has been prepared and presented to the Anne Arundel County Council and to the citizens of the County; and

WHEREAS, the general goals of the General Development Plan are as follows:

A safe, healthy and attractive environment for all the people. This will require the elimination of air and water pollution, of traffic congestion, of inadequate housing and of the chaotic and ugly commercial and semi-industrial developments which now blight the countryside.

Sound economic growth and broad economic opportunity. The plan must provide for the widest variety of employment that is consistent with sound development, to provide employment for as many as possible of the County's residents and to contribute in the greatest possible measure to the County's public services.

Efficiency in the provision of public services. The plan must promote a development pattern which can be served effectively and without excessive cost by roads, sewers, water systems, police protection and other services; and

WHEREAS, Such goals are for the promotion of the health, safety, morals, order, convenience, prosperity and general welfare of the citizens of Anne Arundel County; and

WHEREAS, Additional studies for the Odenton area are now available; now, therefore,
