

BALTIMORE COUNTY

(c) Before final approval of subdivisions the director of public works may require, in accordance with the subdivision regulations, the execution of a public works agreement for any or all of the following improvements it may deem necessary or appropriate: Street grading, pavement, gutters, curbs, sidewalks, [street lighting,] shade trees, surveyor's monuments, water mains, culverts, storm sewers, sanitary sewers or other means of sewage disposal, drainage structures, local open space tracts and such other subdivision improvements as the county may find necessary in the public interest. THE DIRECTOR OF PUBLIC WORKS SHALL REVIEW AND APPROVE [[the necessary design complete with underground distribution facilities and installation of street lights that are necessary to provide adequate illumination on all streets and parking areas of the proposed subdivision. This shall apply to all home construction other than single family units.]] THE SUBDIVISION PLAN, WHICH MUST INCLUDE THE DESIGN OF UNDERGROUND DISTRIBUTION FACILITIES FOR THE SUPPLY OF STREET LIGHTS. FAILURE TO PROVIDE FOR ADEQUATE ILLUMINATION ON ALL STREETS AND PARKING AREAS OF THE PROPOSED SUBDIVISION WILL RESULT IN THE WITHHOLDING OF FINAL APPROVAL BY THE DIRECTOR, PROVISION FOR STREET LIGHTING MUST ACCOMPANY THE PLANS FOR ALL DEVELOPMENTS OF TWO OR MORE HOMES.

SECTION 2. AND BE IT FURTHER ENACTED, that this Act shall take effect forty-five days after its enactment.

APPROVED AND ENACTED: May 4, 1972.
