

## MONTGOMERY COUNTY

canvas which is tightly fastened in a manner that will prevent the loss of any material being transported. No person shall engage in the business of collecting or transporting refuse within the confines of Montgomery County without first obtaining a license from the Director of the Department of Inspection and Licenses. Application for such a license shall be made on or before the first day of May of each year on forms furnished by the Director and shall contain such information as he shall prescribe.

SECTION 2. AND BE IT FURTHER ENACTED, That Subsection (b) (2) of Section 87-14, titled "Collecting and Transporting - Registration of Vehicles", Chapter 87, titled "Garbage and Refuse" of the Montgomery County Code 1965, is hereby repealed and re-enacted, with amendments, to read as follows:

(b) (2) It shall be equipped with a suitable watertight, leak proof, metal body designed for the collection of refuse and shall have a suitable tightly fitting cover of metal or canvas to prevent the blowing of refuse, which cover shall be in place at all times, except when loading or unloading. Provided, however, that an open flat body vehicle having a suitable tarpaulin or canvas cover, which shall be in place at all times, except when loading or unloading, may be used for transporting refuse firmly sealed and secured in cardboard boxes or plastic bags. The body shall be so mounted on the chassis that when fully loaded, the axle load shall fall within the maximum axle load limit prescribed by law. Provided, however, that after the effective date of this Section no open body truck or vehicle shall be registered unless it has been previously registered, and four (4) years after the effective date of this Section no registration for an open body truck shall be renewed, except that an open metal body truck with a tightly fitting cover of metal or canvas may be used only for hauling only building materials, trees and parts of trees, rubble, abandoned vehicles, machinery, appliances, and nonincinerable materials which cannot be processed in the County incinerator, and except that an open flat body vehicle having a suitable tarpaulin or canvas cover, which shall be in place at all times, except when loading or unloading, may be used for transporting refuse firmly sealed and secured in cardboard boxes or plastic bags. The body shall be enclosed steel, packer type, water-tight, leak proof, readily cleanable and sanitary and so mounted
