

MONTGOMERY COUNTY

there shall be no charges levied on any member transferring from Group B to E on or before July 1, 1970. Any Group B member who transfers to Group E after July 1, 1970 in addition to paying the contribution rate increase as of the effective date of the transfer, shall also be required to pay into the retirement system fund that amount of contributions that he would have paid had he been a member of Group E during the time he was a member of Group B plus whatever interest payments that may be determined due by the County Personnel Board.

(4) Transfers from Group B, D, E to C. Whenever a Group B, D or E member transfers to a County position covered under Group A as a result of a service-connected disability, he shall continue to pay the contribution rate of the membership group from which he transferred and he shall retain his normal retirement date under such group, but he shall be subject to the normal mandatory retirement date of the group to which he transfers.

(5) Transfers from Group D to Group E. A Group D member may transfer to Group E on or before October 1, 1972 and the retirement service credits he has earned as a Group D member may be used for the purpose of qualifying him for normal retirement at age fifty-five (55) years, fifty-one (51) years of age with thirty (30) years of creditable service or at forty-six (46) years of age with twenty-five (25) years of creditable service. Except for the contribution rate increase as of the effective date of the transfer there shall be no charges levied on any member transferring from Group D to Group E on or before July 1, 1970. No transfers shall be permitted from Group D to Group E after October 1, 1972. Any Group D member transferring to Group E between July 2, 1970 and September 30, 1972, shall pay retroactive to July 1, 1970 the difference between the employee contribution rate he paid and seven and one-half (7 1/2%) percent.

(6) Transfers from Group D to A. Whenever a Group D member transfers to a County position covered under Group A he shall become a Group A member as of the date of his transfer and his normal retirement date shall be adjusted accordingly. There shall be no return made of the difference in member contributions, if any, while he was a Group D member.
