

MONTGOMERY COUNTY

provisions, whenever a member with twenty (20) or more years of actual County service retires on or after November 1, 1971 pursuant to the provisions of Section 94-62(j), title "Administrative retirement on or after elective early retirement date," Section 94-62(i), title "Administrative retirement on or after normal retirement date," and 94-69(c), title "Discontinued service pension of County employee members" he shall be reimbursed all contributions and interest payments he made in payment for credited service for prior military service if he requests such reimbursement and any credited service for prior military service he may have been granted will be rescinded.

(k) Credited service for prior service as an elective official as defined in Section 94-61(f). Each member who is or has been an elective County official as defined in Section 94-61(f) elected for a fixed term as specifically provided in the Charter of Montgomery County, Maryland may obtain credited service under the Employees' Retirement System of Montgomery County for all such service during the period of March 1, 1948 through March 21, 1966. Before the member may be credited for this service the County shall pay into the Employees' Retirement System of Montgomery County in a lump sum twelve percent (12%) of all earnings, if any, as such elective official during this period of time, plus four percent (4%) interest per annum from the date of his election through July 1, 1970. Before such elective member may be credited for any service on or after March 21, 1966 he must pay into the Employees' Retirement System of Montgomery County in a lump sum or on an extended payment basis six percent (6%) of his earnings during the period March 21, 1966 and the date of enactment of this article, plus four percent (4%) interest per annum and the County must match such contributions and interest for this period. If the County Personnel Board approves the payment of any such contributions and interest on an extended payment basis, interest of not less than six and one-half (6 1/2%) percent per annum will be charged.

(m) Use of compensatory leave and annual leave in payment for credited service. As provided in the Personnel Regulations, compensatory leave and annual leave which an employee has credited to his leave account may be used in payment for credited service under the Employees' Retirement System of Montgomery County. Lapsed salary monies of a member's department
