(d) Which pro rata computation is made by the use of the following formula:

$$\frac{\$4800-b}{4} \times \frac{c.s.}{25}$$

In which formula "b" represents "benefits provided by § 11" and "c.s." Represents "years of creditable service."

(e) Provided that the retirement allowance used in calculating the supplementary payment shall be the total benefits provided in § 11 of this article except that it shall not be based on any optional benefit chosen by the beneficiary and

(f) Provided that such beneficiary, excepting any person who may be retired for reasons of disability, who is eligible to receive benefits from the federal old age and survivors' insurance system shall have any supplemental payment for which said beneficiary is eligible, under this subtitle, reduced by an amount equal to the benefit the beneficiary is entitled to receive from the federal old age and survivors' system. Such reduction, however, shall not be greater than the total amount of the supplemental payment for which said beneficiary is eligible.

(g) When determining the amount of supplementary payments, the board of trustees shall not consider any additional voluntary contributions by any employee to his annuity savings account.

(h) Any employee who has less than thirty (30) years of service, and who files for a deferred retirement allowance, shall not be entitled to receive a
