

(E) POSSESSION OF GREEN PELT OUT OF SEASON PRIMA FACIE EVIDENCE. - THE POSSESSION OF A GREEN PELT OR PART OF IT BY ANY PERSON DURING CLOSED SEASON SHALL BE PRIMA FACIE EVIDENCE THAT THE PELT OR PART OF IT WAS TAKEN AND POSSESSED ILLEGALLY.

REVISOR'S NOTE: Subsection (a) presently appears as Article 66C, section 176(i) of the Code. New language is added making the act of transporting and shipping illegal to maintain consistency with the provision that makes offering to do these acts illegal. Even though "trap" is included within the definition of "hunt" in section 10-101(j), the phrase "hunted or trapped" is used throughout this subtitle to emphasize to the Code user that trapping is regulated by this subtitle.

Subsection (b) presently appears as Article 66C, section 176(o) of the Code.

The only other changes made are in style.
