

66C, section 159(c) and (d) of the Code. The present provisions provide for inspection of blind sites only and omit any reference to inspection of stationary blind sites. At the present time, however, the department inspects the validity of stationary blind applications. If it finds an erroneous one, it will forbid any hunting from the blind.

10-615. MARKING BLIND SITE; LOSS OR DESTRUCTION OF STAKE; REMOVAL.

(A) MARKING BLIND SITE REQUIRED. - ANY PERSON CHOOSING A LOCATION FOR A STATIONARY BLIND OR BLIND SITE PURSUANT TO THE PROVISIONS OF THIS SECTION SHALL MARK THE POSITION BY ERECTING A STAKE SHOWING THE LICENSEE'S NAME AND NUMBER.

(B) LOSS OR DESTRUCTION OF BLIND OR BLIND SITE. - IF ANY LICENSEE ERECTS A STATIONARY BLIND OR BLIND SITE OR SETS A STAKE AND IT IS LOST OR DESTROYED IN ANY MANNER BEYOND HIS CONTROL, HE SHALL NOT LOSE HIS LOCATION BUT MAY REESTABLISH IT AT ANY TIME DURING THE CURRENT HUNTING SEASON.

(C) RESIDENT REQUIRED TO REMOVE STAKE AFTER SEASON CLOSURES. - A RESIDENT WHO IS NOT A RIPARIAN OWNER AND WHO ERECTS A BLIND SITE AFTER OCTOBER 21 SHALL REMOVE ANY STAKE ERECTED PURSUANT TO THE PROVISIONS OF THIS SECTION WITHIN 30 DAYS AFTER WILD WATERFOWL SEASON CLOSURES.

REVISOR'S NOTE: Subsection (a) is new language derived from similar provisions of Article 66C, section 154(a), (b), and (c) of the Code.

Subsection (b) presently appears as Article 66C, section 154(f) of the Code. New language is added to reflect the new definition of stationary blind and blind site.

Subsection (c) is new language derived from the last sentence of Article 66C, section 159(d) of the Code. The present reference to the licensee's agent is not included because this subsection only requires that the licensee remove it and consequently allows the agent to remove it.
