

POISON, WOUND, REMOVE, OR DRIVE OFF ANY GAME BIRD OR MAMMAL OR ITS YOUNG OR EGGS, WITHOUT THE CONSENT OF THE OWNER. ALSO, A PERSON MAY NOT HUNT ANY GAME BIRD OR MAMMAL CN THE PRESERVE OR REFUGE AT ANY TIME WITH THE USE OF SPOTLIGHT, FLASHLIGHT, SEARCHLIGHT, ANY ARTIFICIAL LIGHT OR EATTERY, SULPHUR FIRE, SNARE, NET, DEERLICK, PITFALL, TURKEY BLIND, OR TURKEY PEN OR ANY OTHER MEANS. A PERSON MAY NOT DESTROY ANY PART OF THE FENCING ABOUT THE PRESERVE OR REFUGE IN ANY MANNER NOR ENTER INTO THE PRESERVE OR REFUGE AND DRIVE OR ATTEMPT TO DRIVE AWAY ANY GAME BIRD OR MAMMAL EXCEPT WITH THE WRITTEN CONSENT OF THE OWNER OF THE PRESERVE OR REFUGE.

(B) AIDING AND ABETTING PROHIBITED. — NO PERSON MAY AID OR ABET ANOTHER TO VIOLATE THE PROVISIONS OF THIS SECTION.

REVISOR'S NOTE: Subsection (a) presently appears as Article 66C, section 183 of the Code. The reference to aiders or abettors is proposed for deletion in light of subsection (b) which prohibits aiding and abetting. The present reference to roosting game birds is proposed for deletion because this prohibition is encompassed within the general prohibition of this section. In addition, new language derived from Article 27, section 235 is added for organizational purposes. The comma between "sulphur" and "fire" is proposed for deletion because the only method of hunting birds or mammals by sulphur is by sulphur fire. The present provision in Article 27, section 236 which makes the prohibitions of this section applicable to game preserves and refuges enclosed with fencing six feet in height is omitted because the analogous prohibition of Article 66C, section 183 relates to fencing of any height. Finally, the reference to daytime or nighttime in the last sentence of subsection (a) is proposed for deletion because this prohibition applies at any time.

Subsection (b) is new language derived from the reference in the first sentence to "aiders and abettors".

The only other changes made are in style.
