

Ch. 817, Acts of 1973. The present reference to "premises" is proposed for deletion and "location" is substituted. "Premises" generally connotes a tract of land and the appurtenances on it. Veterinary medicine can be practiced in other places and, consequently, this section is revised to refer to any "location". The only other changes made are in style.

(D) "LICENSE" MEANS A LICENSE TO PRACTICE VETERINARY MEDICINE IN THE STATE.

REVISOR'S NOTE: This subsection is new language added to avoid repetitive use of the phrase "license to practice veterinary medicine".

(E) "MEMBER" MEANS A MEMBER OF THE STATE BOARD OF VETERINARY MEDICAL EXAMINERS.
