

VESSELS WHICH NORMALLY ACCOMPANY THE MUSCLE TISSUE AND WHICH ARE NOT SEPARATED FROM IT IN THE PROCESS OF DRESSING. IT DOES NOT INCLUDE THE MUSCLE FOUND IN THE LIPS, SNOUT, OR EARS.

REVISOR'S NOTE: This subsection presently appears as Art. 66C, §470C(j) of the Code. The present reference to "cattle, sheep, swine, or goats" and the last sentence are proposed for deletion and a reference to "livestock" is added to the first sentence. According to the Department, the last sentence is intended to provide that any reference to meat also includes equine meat. The reference to equine meat was set apart from the general definition in an attempt to indicate that equines may not be prepared in any establishment preparing or slaughtering cattle, sheep, swine, or goats. Sec. 4-114, however, provides for separate slaughter or preparation of equines and, consequently, the last sentence of Art. 66C, §470C(j) is unnecessary. Sec. 1-101(e) defines "livestock" as "cattle, equines, goats, sheep, and swine". The only other changes made are in style.

(M) "MEAT BROKER" MEANS ANY PERSON ENGAGED IN THE BUSINESS OF BUYING OR SELLING LIVESTOCK CARCASSES, PARTS OF THEM, OR MEAT FOOD PRODUCTS, ON COMMISSION, OR NEGOTIATING PURCHASES OR SALES OF THESE ARTICLES, OTHER THAN FOR HIS OWN ACCOUNT OR AS AN EMPLOYEE OF ANOTHER PERSON.

REVISOR'S NOTE: This subsection presently appears as Art. 66C, §470C(d) of the Code. The only changes made are in style.

(N) "MEAT BY-PRODUCT" MEANS ANY EDIBLE PART OTHER THAN MEAT WHICH HAS BEEN DERIVED FROM LIVESTOCK.

REVISOR'S NOTE: This subsection presently appears as Art. 66C, §470C(k) of the Code. The present reference to "cattle, sheep, swine, or goats" and the last sentence are proposed for deletion and a reference to "livestock" is added to the first sentence for reasons explained in the revisor's note to §4-101(l). The only other changes made are in style.
