

derived from the last sentence of Art. 66C, §470G of the Code.

Subsection (b) presently appears as Art. 66C, §470L(a) of the Code. The phrase describing the establishments regulated by this section is proposed for deletion and the term "official" establishment is substituted in light of the definition of official establishment set forth in §4-101(s). The reference to "wild game" and "wild animals" is proposed for deletion and a reference to "wild bird" and "wild animal" is substituted to maintain consistency with the definitions set forth in the Natural Resources Article; See §10-101(h) of the Natural Resources Article. The reference to game probably is intended to refer to game birds as defined in §10-101(h) because the statute also refers to "animals". The reference to animals undoubtedly refers to mammals because slaughterhouses would not admit wild fish, reptiles, amphibians, and wild animals of this nature. A reference to "meat" is added because meat is inspected at official establishments. The only other changes made are in style.

SEC. 4-114. SEPARATE ESTABLISHMENTS FOR EQUINE CARCASSES.

THE SECRETARY, BY RULE OR REGULATION, MAY REQUIRE AN EQUINE OR ITS CARCASS TO BE PREPARED IN AN ESTABLISHMENT SEPARATE FROM AN ESTABLISHMENT WHERE CATTLE, SHEEP, SWINE, OR GOATS, THEIR CARCASSES, PARTS OF THEM, MEAT, OR THEIR MEAT FOOD PRODUCTS ARE PREPARED.

REVISOR'S NOTE: This section is new language derived from Art. 66C, §470L(b) of the Code. Art. 66C, §470L(b), therefore, is proposed for deletion.
