REVISOR'S NOTE: This section presently appears as Art. 43, §197-22(c)(3) of the Code. New language is added to indicate that the penalties provided by this section supersede the uniform penalty provisions of this Article. The references to "Baltimore City" in subsection (a) are proposed for deletion as unnecessary because Art. 1, §14 and §1-101(b) provide that a reference to "county" includes "Baltimore City". The present reference to the Attorney General "of this State" is proposed for deletion because it is unnecessary. There is only one Attorney General in the State. The only other changes made are in style.
