

do not have to register. The present reference to the State Chemist is proposed for deletion throughout this section and "Secretary" is substituted for the reason explained in the revisor's note to §5-102. The second sentence of §132(a) also is proposed for deletion because it is unnecessary in light of the provisions of revised subsection (a).

Subsection (b) presently appears as the third sentence of Art. 48, §132(a) of the Code.

Subsection (c) is new language derived from the last two sentences of Art. 48, §132(a) of the Code and added to indicate that a separate application must be filed for each whose name appears on the label.

Subsection (d) presently appears as Art. 48, §132(b) of the Code. The present provision stating that the fee is exclusive of penalties is proposed for deletion because it is unnecessary. In addition, the present reference to the fund is proposed for deletion because it duplicates the provisions of §5-103.

Subsection (e) presently appears as Art. 48, §136(a) of the Code. New language is added to indicate to the Code user that a late fee must be paid in addition to the annual fee.

Subsection (f) presently appears as Art. 48, §132(c) of the Code.

Subsection (g) presently appears as Art. 48, §132(e) of the Code.

The only other changes made are in style.
