REVISOR'S NOTE: This section presently appears as Art. 66C, §95 of the Code. New language derived from the last clause of proposed sub-paragraph (a) (2) is added to (a) (1) for organizational purposes. In subsection (a) (3), language is added to indicate that consent must be obtained from the "possessor" of necessary rights or interests in the land because a person cannot be an occupier of these interests.

In subsection (a) (6) the present reference to "bequest, devise" is proposed for deletion because under Ch. 31, Acts of 1973, the word "gift" includes a bequest or devise.

In subsection (a) (13) the second clause permitting the supervisors to manage lands as an agent of the State, the United States, or their agencies is proposed for deletion because their power is encompassed within the provisions of subsection (a) (14).

In subsection (a) (15), the present reference to "donations" and "contributions" is proposed for deletion because these terms are synonymous with "gifts".

Subsection (a) (16) is new language derived from Art. 66C, §95A of the Code and set forth here for organizational purposes.

Paragraph (17) is new language derived from Art. 66C, §95 as amended by Ch. 24, Acts of 1973.
