REVISOR'S NOTE: This section presently appears as Art. 66C, §64E(b) of the Code. Present paragraphs (1) and (2) are proposed for deletion because they appear as new language in paragraphs (5) and (6). In paragraph (3) the present reference to "due" public notice is proposed for deletion and "reasonable" public notice is substituted to avoid the disparate interpretations surrounding the concept of "due" notice. In paragraph (7), the present reference to Baltimore City is proposed for deletion because under Art. 1, §14 "county" includes Baltimore City. The only other changes made are in style.
