

REVISOR'S NOTE: This section presently appears as Art. 97, §57 of the Code. The present reference to "any prosecuting officer" is proposed for deletion because the State's attorney is the only prosecuting officer. The present reference to "city", meaning Baltimore City, is proposed for deletion because under Art. 1, §14 and §1-101(b) of the Code a reference to county includes Baltimore City. The only other changes made are in style.

REVISOR'S NOTE: This section presently appears as Art. 97, §61 of the Code. The first sentence is proposed for deletion in light of Ch. 241, Acts of 1973, which provides for a severability clause applicable to the entire Code.
