The following sections deal with fictional appointment of the Secretary of State as agent to accept service of process on behalf of a non-resident. These sections, creatures of the pre-long arm statute era, were an attempt to get personal jurisdiction over non-residents, and are now obsolete. See Revisor's Note to §6-307. The procedure for service of process on a non-resident is now dealt with in Rules 106 and 107.
