REVISOR'S NOTE: This section presently appears as
Article 66C, section 110H of the Code. The
language providing for expenses to be paid
out of the survey's budget is proposed for
deletion as unnecessary since it is
understood that this can be done only if
the budget specifically provides for it.
The revision of commission to director of
the survey in terms of appointment
authority is explained in the revisor's
note to section 2-302.   The only other
changes made are in style.

(B)   DUTIES.--THE COMMITTEE SHALL ADVISE THE
SURVEY CN ARCHAEOLOGICAL MATTERS AND PROPOSE RULES AND
REGULATIONS REGARDING ARCHAEOLOGICAL MATTERS FOR ITS
REVIEW AND APPROPRIATE ACTION.

REVISOR'S NOTE: This subsection presently appears
as Article 66C, section 110-I of the Code.
It is revised to reflect the fact that
under Chapter 154, Acts of 1969, the
function of the commission was changed and
made solely advisory. The survey and its
director now perform decision making.   The
only other changes made are in style.
