

added for organizational purposes. The reference to "State Board" is proposed for deletion in this and subsequent subsections and "Department" is substituted therefor because the State Board of Health and Mental Hygiene no longer exists.

Subsection (b) is new language derived from Article 43, section 228B(c) of the Code. Language is added to indicate that notice shall be given to the appropriate governing body of the county to allow for the different types of governing bodies used by the counties.

Subsection (c) presently appears as the second and third sentences of Article 43, section 228B(a) of the Code. Language is added to provide that any county affected by the restricted area may request lists and inspections. New language also is added to require analysis reports to be filed with the governing body of every affected county.

Subsection (d) presently appears as the last sentence of Article 43, section 228B(a) of the Code.

Subsection (e) presently appears as Article 43, section 228B(d) of the Code. The provision that requires the Health Commissioner to report the action to the Board of Health and Mental Hygiene is proposed for deletion because the Board no longer exists. New language is added to clarify the right of the Secretary of the Department of Health and Mental Hygiene to delegate his authority.

Subsection (f) is new language derived from Article 43C, section 228B(f) of the Code.

The only other changes made are in style.
