(D) SEASON FOR CATCHING CULTIVATED OYSTERS FOR COMMERCIAL PURPOSES. - THE SEASON FOR CATCHING OYSTERS FROM LEASED OYSTER BOTTOMS OF THE STATE FOR SALE SHALL BE BETWEEN SUNRISE AND SUNSET OF ANY DAY, EXCEPT SUNDAY, THROUGHOUT THE YEAR, IF THE LEASED OYSTER BOTTOMS ARE MARKED AS PRESCRIBED IN THIS SUBTITLE.

REVISOR'S NOTE: Subsection (a) presently appears as Article 66C, section 708(g) of the Code. The last paragraph of the present subsection is proposed for deletion because its substance appears in subsection (c).

Subsection (b) presently appears as Article 66C, section 708(y) of the Code. The present reference to importing oysters of the species Ostrea virginica is proposed for deletion because an identical provision appears in section 4-1115 of the revised Code. Subsection (c) is new language derived from the last paragraph of Article 66C, section 708(g) of the Code. The term "State resident" is used instead of "citizen of the State". Apparently, this title does not distinguish between "citizen" and "resident" of the State and, consequently, "resident" is used exclusively throughout this title.

Subsection (d) presently appears as Article 66C, section 708(w) of the Code. The only other changes made are in style.
