MESSAGE FROM THE EXECUTIVE STATE OF MARYLAND EXECUTIVE DEPARTMENT

Annapolis, Maryland, November 9, 1973.

The Honorable John Hanson Briscoe
Speaker of the House of Delegates
The State House
Annapolis, Maryland

Dear Mr. Speaker:

I am writing this letter in reference to Senate Bill No. 4 which is presently before your body. I am sure that you are all aware of the extreme emergency which has necessitated the introduction of this legislation.

The bill gives emergency powers to the Governor which he does not have at the present time, but which are absolutely necessary to act in the present crisis situation. However, I feel that there should be joint executive and legislative responsibility in this situation.

I have publicly stated and I want to emphasize that it is my intention before promulgating any initial rules or regulations to submit those rules and regulations to the legislative Committee on Administrative, Executive and Legislative Review for their approval. I will not promulgate any such rules or regulations without their concurrence. On any subsequent major actions, I would submit them where possible to the Committee for their consideration.
