

[ (b) ] (C) If the report filed pursuant to subsection (a) of this section shows that a boiler or pressure vessel is found to comply with the rules and regulations of the Board, the owner OR user thereof shall pay directly to the chief inspector the sum of five dollars (\$5.00) and the chief boiler inspector shall issue to such owner or user an inspection certificate bearing the date of inspection and specifying the maximum pressure under which the boiler or pressure vessel may be operated. Such inspection certificate shall be valid for not more than fourteen (14) months from its date in the case of power boilers and high pressure, high temperature water boilers and twenty-six (26) months in the case of low pressure steam or vapor heating boilers, hot water heating boilers or hot water supply boilers and pressure vessels, except that, when the Board has granted an extension of the period between certificate inspections as permitted by [§ 176 of] this subtitle, the certificate shall be valid for a grace period of two (2) months beyond the expiration date of the current certificate. Certificates shall be posted under glass in the room containing the boiler or pressure vessel inspected. If the boiler or pressure vessel is not located within the building, the certificate shall be posted in a location convenient to the boiler or pressure vessel inspected or in any place where it will be accessible to interested parties.

[ (c) ] (D) No inspection certificate issued for an insured boiler or pressure vessel based upon a report of a special inspector shall be valid after the boiler or pressure vessel for which it was issued shall cease to be insured by a company duly authorized by this State to provide such insurance.

[ (d) ] (E) The chief boiler inspector or his authorized representative may at any time suspend an inspection certificate when, in his opinion, the boiler or pressure vessel for which it was issued cannot be operated without menace to the public safety or when the boiler or pressure vessel is found not to comply with the rules and regulations herein provided. Each suspension of an inspection certificate shall continue in effect until such boiler or pressure vessel shall have been made to conform to the rules and regulations of the Board and until such inspection certificate shall have been reinstated.

[ (e) ] (F) After twelve (12) months following the date on which this subtitle becomes effective, it shall be unlawful for any person, firm, partnership or corporation to operate in this State a boiler or pressure vessel, EXCEPT A PRESSURE VESSEL COVERED BY OWNER OR USER
