

INSPECTION SERVICE AS PROVIDED FOR IN THIS SUBTITLE, without a valid inspection certificate. Any person, firm, partnership or corporation that shall operate a boiler or pressure vessel without such inspection certificate, or at a pressure exceeding that specified in such inspection certificate, or interfere with or impede the Commissioner of Labor and Industry, his authorized representatives or the Board members in their official duties under this subtitle, shall be guilty of a violation of this subtitle and, upon conviction thereof, shall be subject to a fine of not more than five thousand dollars (\$5,000.00) or to imprisonment for not more than five (5) years, or both such fine and imprisonment, for each such offense. The offense created under this section shall be in addition to, and not in substitution for, any existing crimes or offenses under common law or statute now in force in this State.

178.

(a) The owner or user of a boiler or pressure vessel required by this subtitle to be inspected by the chief boiler inspector, or his deputy boiler inspectors, shall pay directly to the chief boiler inspector, upon completion of inspection, fees in accordance with the following schedule:

(3) Pressure Vessels:

Certificate Inspections -

Fees to be based on the maximum length of the vessel times the maximum width or diameter thereof.

Each pressure vessel subject to inspection having a cross-sectional area of 50 sq. ft. or less.....\$10.00 [interior] INTERNAL; \$6.00 [exterior] EXTERNAL

For each additional 100 sq. ft. of area in excess of 50 sq. ft.....\$7.00 [interior] INTERNAL; \$2.00 [exterior] EXTERNAL

Not more than \$50.00 shall be paid for each inspection on any one vessel.

A group of pressure vessels, such as the rolls of a paper machine or dryer operating as a single machine or unit, shall be considered as one pressure vessel.

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect July 1, 1974.
