

levied shall simply be designated, "For Construction, reconstruction and maintenance of County roads, bridges, drains, water courses, public landings, [disposal areas,] culverts, ferries, curbs and gutters, and purchasing and renting of equipment, land and buildings in connection therewith", but no part thereof shall be earmarked by said County Commissioners for specific purposes, all such authority to so earmark being vested in the County Roads Board. All monies so levied and received shall be deposited by the County Treasurer in a special fund for that purpose and paid out of that fund by the County Treasurer on requisition of the County Roads Board. Any unexpended surplus remaining in the account at the end of any year may be carried over and used by the County Roads Board in future years to carry out the purposes of this sub-title or may be used on account of the costs of next year's roads program. Title to any such land, buildings, or equipment purchased by the County Commissioners of Queen Anne's County or by the County Roads Board for Queen Anne's County shall be and remain in the County Commissioners of Queen Anne's County, Maryland.

372.

(a) The County Roads Board shall within sixty (60) days after the effective date of the taking over of the construction, reconstruction and maintenance of the County Roads in Queen Anne's County, appoint some competent person as County Roads Engineer with the qualifications set out in Article 89B, Section 222 of the Annotated Code of Public General Laws of Maryland (1957 Edition). The first term of office of the County Roads Engineer shall run until June 30, 1963; and succeeding terms thereafter shall run for four (4) years accounting from the end of the previous term. He shall be subject to dismissal by the County Roads Board during his term for proper cause. He shall be under and subject to the authority of the County Roads Board and shall have charge of making surface plats, profiles and specifications for the grading, drainage maintenance, repair and reconstruction of the public roads, bridges, drains, water courses, public landings, [disposal areas,] culverts, ferries, curbing and guttering in the County and also shall do or supervise the doing of all necessary engineering and other work in connection therewith. He shall receive such salary and payable in such manner as the County Roads Board shall determine.

SECTION 2. AND BE IT FURTHER ENACTED, That Section 376(e) of the Public Local Laws of Queen Anne's County being Article 18 of the Code of Public Local Laws of Maryland (1930 Edition, as amended by Chapter 147 of the Acts of 1971) be and it is hereby repealed and re-enacted, with amendments, to read as follows:
