No. 22

(Senate Joint Resolution 26)

A Senate Joint Resolution concerning

Future Utilization of Charlotte Hall [[Academy]] School

FOR the purpose of requesting the Maryland Council for Higher Education to conduct a feasibility study to determine the possible future utilization of the Charlotte Hall [[Academy]] School facility located in St. Mary's County as a site for possible future post-secondary educational programs for St. Mary's and Calvert Counties.

WHEREAS, The present Charlotte Hall [[Academy]] School in its present program setting has experienced severe financial hardship and declining enrollments in recent years; and

WHEREAS, The present facility is situated on a 300 acre site and contains many modern facilities, including a new classroom building and dining facilities for 500 persons, thus creating a day school capacity for 1200 students; and

WHEREAS, This underutilized facility lies within close proximity of a potentially rapidly growing economic and population area in Southern Maryland; and

WHEREAS, The trustees of the [[academy]] school and the leaders of the Calvert and St. Mary's County area are committed to the survival of this institution as an educational institution which celebrates its 200th Anniversary this year; now, therefore, be it

RESOLVED BY THE GENERAL ASSEMBLY OF MARYLAND, That the General Assembly requests the Maryland Council for Higher Education to conduct a feasibility study to determine the future use of the Charlotte Hall [[Academy]] School facility for educational programs in the area; and be it further

RESOLVED, That the Council include representatives from the trustees of the [[academy]] school, the local
