No. 26

(Senate Joint Resolution 43)

A Senate Joint Resolution concerning

Baltimore-Washington International
Airport - Ambulance Service

FOR the purpose of requesting the Governor to direct the Secretary of the Department of Transportation to review the need for a full-time ambulance service at Baltimore-Washington International Airport.

WHEREAS, Baltimore-Washington International Airport now utilizes Anne Arundel County ambulance facilities for its emergency requirements; and

WHEREAS, This poses an undue strain on Anne Arundel County ambulance services because the heavily populated northern part of the county does not have sufficient ambulance service to meet normal emergency calls; and

WHEREAS, Growing population and expanding commercial and industrial facilities in the County will continue to add to the need for emergency services; and

WHEREAS, Baltimore-Washington International Airport attracts thousands of people daily from all over the world and has plans for expansion; and

WHEREAS, In addition, seriously ill persons are frequently flown into the airport for transfer to Baltimore's and Washington's world-renowned medical centers, and Anne Arundel County ambulances must now be used for this service; and

WHEREAS, In the case of the tragedy at the airport
