

enforcement as well as conformance by businessmen who do business in more than one political subdivision; and

WHEREAS, A commission studying the problem could hold hearings in various parts of the State and provide a forum for interested citizens to express their views on the current laws; now, therefore be it

RESOLVED BY THE GENERAL ASSEMBLY OF MARYLAND, That the Governor is requested to appoint a commission to study the operation of the Sunday Blue Laws in effect throughout the State and to report back with recommendations before December 1, 1974 to the Legislative Council. Members of the commission shall include representatives of the General Assembly, business, labor and private citizens; and be it further

RESOLVED, That expenses incurred incidental to the mandate of this Resolution shall be funded from the budget of the Executive Department-Governor-Survey Commissions, 23.01.01.07; and be it further

RESOLVED, That a copy of this Resolution be forwarded to the Governor of Maryland.

Approved May 31, 1974.

No. 49

(House Joint Resolution 115)

A House Joint Resolution concerning

Franklin Square Hospital Family Practice Program

FOR the purpose of requesting the Governor to obtain State funds that would assure the reaccreditation and continuation of the family practice residency program at Franklin Square Hospital by means of State financial assistance in capital funds for an outpatient facility with a family practice center and to cover an operating deficit of the residency program.

WHEREAS, Franklin Square Hospital is a community based hospital in Eastern Baltimore serving 300,000 residents, with another 84,000 expected as housing and apartments are completed; and

WHEREAS, When Franklin Square Hospital opened its doors at its new location in 1969, outpatient visits have increased from 40,000 to over 100,000 a year, with every
