

FOR the purpose of providing that authorized and licensed land surveyors, as well as architects and engineers, may certify building plans for condominiums, and clarifying the language.

May 31, 1974.

Honorable John Hanson Briscoe  
Speaker of the House of Delegates  
State House  
Annapolis, Maryland 21404

Dear Mr. Speaker:

In accordance with Article II, Section 17, of the Maryland Constitution, I have today vetoed House Bill 430.

This bill provides that authorized and licensed land surveyors may certify building plans for condominiums.

Senate Bill 714, which was enacted by the General Assembly and signed by me on May 31, 1974, contains a revision and recodification of the laws of this State relating to condominiums. In its provisions, it accomplishes the same purpose as House Bill 430, in that it requires a condominium plat to be certified by either a civil engineer or licensed land surveyor.

As the purpose of House Bill 430 is accomplished by Senate Bill 714, it is unnecessary for me to sign House Bill 430.

Sincerely,  
/s/ Marvin Mandel  
Governor
