VETOES

State House
Annapolis, Maryland 21404

Dear Mr. Speaker:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed House Bill 531.

This bill is primarily a corrective bill, changing the name "Friendship International Airport" to "Baltimore-Washington International Airport" throughout the Code.

Senate Bill 645, which was enacted by the General Assembly and signed by me on April 30, 1974, was a complete revision and recodification of the aeronautics laws of Maryland and, among other things, accomplished the principal objectives of House Bill 531. Unfortunately, House Bill 531 is, in certain ways, inconsistent with the revisions made by Senate Bill 645 and, if signed, would create contradictions in the law.

For these reasons, I decided to veto House Bill 531.

Sincerely,
/s/ Marvin Mandel
Governor
