

Maryland Constitution, I have today vetoed House Bill 1086.

This bill increases the State share for basic current expenses of education and provides for the advancement of payment of a portion of the estimated State income tax to provide the necessary funds for this increase.

Senate Bill 678, which was passed by the General Assembly and signed by me on May 31, 1974, accomplishes the same purposes as House Bill 1086.

Therefore, it is unnecessary for me to sign House Bill 1086.

Sincerely,  
/s/ Marvin Mandel  
Governor
