

1501.

This bill amends Section 70 of the Public Local Laws of St. Mary's County for the purpose of modifying certain procedures relating to meter cut-in certificates required by that County.

Through inadvertence, however, House Bill 1501 was drafted without accounting for various changes previously made in the law by Chapter 875 of the Acts of 1973. Consequently, if signed, the bill would amend Section 70 of the Public Local Laws of St. Mary's County in a manner unintended by its sponsors and inconsistent with the changes made during the 1973 Regular Session of the General Assembly. For these reasons, the sponsors of House Bill 1501 have concurred in the veto of this bill.

Accordingly, I have decided to veto House Bill 1501.

Sincerely,  
/s/ Marvin Mandel  
Governor
