

- with the requirements of this Order, including all records with respect to the products and items subject to this Order which, by any other applicable law, order, rule, or regulation, are required to be kept by that person for the purpose of demonstrating compliance with any maximum price provisions of that law, order, rule, or regulation.
4. The State Energy Policy Office shall assist and advise State and local law enforcement agencies in their enforcement and monitoring of the requirements of this Order. All violations of this Order discovered by or reported to the State Energy Policy Office shall be reported to an appropriate State or local law enforcement agency for investigation and such other action as may be appropriate under the circumstances.
 5. Unless otherwise provided by law, all trade secrets or other confidential information which are obtained by any person authorized to enforce this Order from records required to be made available for inspection by this Order shall be treated so as to preserve their confidentiality, but such information may be disclosed to other authorized persons for the purposes of enforcing this Order and its objectives.
 6. As used in this Order, the word "person" includes any natural person, corporation, partnership, trust, unincorporated association, and any other organization, entity, and enterprise.
 7. Any violation of this Order shall be punishable as a misdemeanor and shall subject the offender to a fine of not more than one hundred dollars (\$100.00) or not more than sixty days incarceration, or both, upon conviction thereof.
