

digit ending in a letter, the last number of the registration plate after disregarding the letter shall determine the calendar date for which gasoline may be sold to such vehicles.

(d) For any calendar month in which there are 31 days, sales may be made on the thirty-first day of the month without regard to the registration plates of the motor vehicle.

2. (a) The Director of the Energy Policy Office, is hereby authorized to enter into agreements with other States for reciprocity with respect to the provisions of this order. He shall then declare which jurisdictions have made such reciprocity agreements. As to such jurisdictions, and as to the District of Columbia, gasoline sales shall be made to vehicles bearing license plates from those jurisdictions in the same manner as if the vehicle were registered in Maryland.

(b) Gasoline sales to an operator of a vehicle bearing foreign registration plates from a jurisdiction which has not entered into a reciprocal agreement with the State of Maryland may be made on both odd and even numbered days, but shall be limited to a maximum of eight gallons per purchase.

3. No sale of gasoline shall be made for less than three dollars except (a) for a vehicle of four cylinders or less, for which the minimum sale shall be two dollars; or (b) if the service station, by virtue of an insufficient allocation of gasoline, has itself established a uniform policy, prominently displayed, of maximum sales of less than the minima provided herein, in which event, the service station's uniform policy shall apply.

4. The following vehicles shall be excluded from the provisions of the Order and may be sold gasoline on both odd and even numbered days regardless of registration plate number:

(a) Authorized emergency vehicles, as defined in Article 66 1/2, Section 1-103 of the Annotated Code of
