

EXECUTIVE ORDERS

expediting justice and increasing efficiency. The study shall include but not be limited to the following:

(a) Proper compensation of the Judiciary, including collateral benefits, to attract the highest qualified individuals;

(b) Selection of Judges, including the possibility of the application of the "Missouri" plan in Maryland as well as the possibility of the application of other plans for judicial selection;

(c) The role of all court related offices under the Code or Constitution and the possibility of consolidation under the Judicial Branch;

(d) Problems of the Judicial budget and the monetary needs to insure proper administration of justice;

(e) All aspects concerning the delay between the initiation of a court action and trial, including the use and application of jury trials in this State;

(f) The procedure of arrest, indictment or information in criminal cases;

(g) The civil procedure now in existence and measures which may be taken to simplify procedures;

(h) The seeking of cooperation of all branches of government and educational institutions of this State to study and make recommendations to increase the efficiency of the Judicial Branch of Government and to promote justice; and

(i) Making recommendations to the Governor, the General Assembly and the Chief Judge of the Court of Appeals of Maryland regarding legislative proposals.

5. The Commission shall complete its work
